### "Shaky Ground"

The paranoia's understandable, almost unimaginable  
Hunted like an animal, prey of the cannibal  
Who sits at the top carefully examines you  
When you let your guard drop they're gonna damage  
you  
They're out for flesh and they couldn't care less  
About what you represent, 'cause it's only a test  
Success is what they call it, they pull you in deeper  
You keep on falling, resistance grows weaker

Now na na na na na na na na na  
We'll always be on shaky ground

Over the loudspeaker bit by bit  
They turn you into a sleeper so now you can fit  
You're so very misguided, confusion can't hide it  
Happiness can't find it, in every way but one we've  
been blinded  
Persuaded so frustrated our whole destiny they  
created  
Working for those who stole with hearts black like coal  
Blinded by ambition tradition we roll

Now na na na na na na na na na  
We'll always be on shaky ground  
Na na na na na na na na na  
We'll always be on shaky ground

But I still believe we all play our part  
Don't let 'em change what you feel in your heart  
We're born with love to the light that shines  
Dig down deep 'cause this is the time

Just a blues blast  
Comin' at you like lightening  
When I'm mopping up the floors after hours  
I'll be a showstopper, if I ever get the chance  
Just like John Popper

I'm gonna make the ladies sweat  
When they start to dip and scream . . . this is murder

Somebody call the police  
'Cause the MC that before you never ever heard  
Just grabbed the microphone and dropped the illest  
words  
Just watch me now

The paranoia's understandable, almost unimaginable  
Hunted like an animal, prey of the cannibal  
Who sits at the top carefully examines you  
When you let your guard drop they're gonna damage  
you  
They're out for flesh

Hip hop blues kid, one of a kind  
I saw you go for yours so I'm about go for mine  
So here's a wish upon a star that's shining bright up in  
the sky  
Just make this record here tonight, tonight, tonight

Na na na na na na na na na  
Hit the highway running  
We'll always be on shaky ground  
Na na na na na na na na na  
If seeing is believing, then what is MCing  
We'll always be on shaky ground (repeat)
