I got this, oh!
This comes so natural! Supernatural! Oh
Me I'm a..
How you gonna win if you never took the..
Summer's in the, summer's,
..the whole sale,
..one move, we all move
On the, moving at,
Bitches in the street.. they're all new
Louis V.. they're all blue
Playing the game like the rules don't,
Outside, but I make moves internal
I don't do the slots, might hit the dice
Whores on me, when the light hit the ice
If it ain't tragic, gotta be the knife
Momma says .. I say it's the life!

Chorus:

Fresh in the club, walk through the door
Chicks wining and grinding on the floor
I .. no more, cause my swag is on
I'm so fo sho nigger on the floor
I'm so fo sho get on the floor
I'm so fo sho get on the floor
I'm so fo sho girl, gimmie some more!

I rolled up so fresh, Black Benz, no lens
Hold up, focus, get hit, no stress
Look best, bad chick my guess, my pick
Gone move my lips.. who you're with?
..cause we do it big,
Live one life, girl, one life to live!
That's why you're friends with chicks like this
Like that's so, baby girl, sit back, no ,
Thinks like ..
Easy to do, that's, is that for real, ma?
That's another issue!
..about me, what about you?
What you're sipping?
I got you, and your girl, too!
Chorus:

Fresh in the club, walk through the door
Chicks wining and grinding on the floor
I .. no more, cause my swag is on
I'm so fo sho nigger on the floor
I'm so fo sho get on the floor
I'm so fo sho get on the floor
I'm so fo sho girl, gimmie some more!

..I'm a time sick,
No more gigolo, big dough Kiko
..nipples, no, no, oh
..kill him with the sick flow
, official girl, who is you?
So what? Fresh cut, saw him like I'm brand new
Doing.. giving you the sample
I plan to a..
Told you so, no nose grown, no Pinocchio
That dude.. this ain't the show, I'm so for sure
Dark shades, sun shine, go hard,
I'm scolding you, watch ,.
..never made to Tokyo!

Chorus:

Fresh in the club, walk through the door
Chicks wining and grinding on the floor
I .. no more, cause my swag is on
I'm so fo sho nigger on the floor
I'm so fo sho get on the floor
I'm so fo sho get on the floor
I'm so fo sho girl, gimmie some more!
