I gave my life  
Ain't takin' yours  
I shouldn't let you go, oh  
I drank from the cup  
But it wasn't enough  
To wash the blood from my hands

I find it hard to see the light  
In the kingdom I behold

(Aahahahahahahahahahaaah) I see him in the  
morning  
(Aahahahahahahahahahaaah) I see him in the night  
(Aahahahahahahahahahaaah) I see him in the  
morning  
(Aahahahahahaaa) I see the devil in my life

In my darkest days  
I still see her face  
Burning patterns in my eyes  
You broke my back  
The fire cracked  
I left it all behind

I find it hard to see the light  
In the kingdom I behold

(Aahahahahahahahahahaaah) I see him in the  
morning  
(Aahahahahahahahahahaaah) I see him in the night  
(Aahahahahahahahahahaaah) I see him in the  
morning  
(Aahahahahahaaa) I see the devil in my life

And all my life  
And all my dreams  
And all I had  
It's lost, it seems  
(All my days, all my) And all my life  
(All my life, all my) And all my days  
(All my days, all my) Keeps on turning

(All my life) There's a devil in me  
(All my days, all my) All my life  
(All my life, all my) And all my days  
(All my days, all my) Keeps on turning  
(All my life) There's a devil in me

I find it hard to see the light  
In the kingdom I behold

(Aahahahahahahahahahaaah) I see him in the  
morning  
(Aahahahahahahahahahaaah) I see him in the night  
(Aahahahahahahahahahaaah) I see him in the  
morning  
(Aahahahahahaaa) I see the devil in my life

(All my days, all my) And all my life  
(All my life, all my) And all my days  
(All my days, all my) Keeps on turning  
(All my life) There's a devil in me  
(All my days, all my) All my life  
(All my life, all my) And all my days  
(All my days, all my) Keeps on turning  
(All my life) There's a devil in me

I find it hard to see the light  
In the kingdom I behold
