ow I know
That I can't make you stay
But where's your heart
But where's your heart
But where's your...

And I know
There's nothing I could say
To change that part
To change that part
To change...

So many
Bright lights that cast a shadow
But can I speak?
Well is it hard understanding
I'm incomplete
A life that's so demanding
I get so weak
A love that's so demanding
I can't speak

I am not afraid to keep on living
I am not afraid to walk this world alone
Honey if you stay, I'll be forgiving
Nothing you can say can stop me going home

Can you see
My eyes are shining bright
Cause I'm out here
On the other side
Of the jet black
Hotel mirror
And I'm so weak
Well is it hard understanding
I'm incomplete
A love that's so demanding
I get weak

I am not afraid to keep on living
I am not afraid to walk this world alone

Honey if you stay
I'll be forgiven
Nothing you can say can stop me going home

I am not afraid to keep on living
I am not afraid to walk this world alone
Honey if you stay
I'll be forgiven
Nothing you can say can stop me going home

These bright lights are
always blinding me
These bright lights are
always blinding me
I say

I see you lying next to me
With words I thought I'd never speak
Awake and unafraid
Asleep or dead
[x4]

I am not afraid to keep on living
I am not afraid to walk this world alone
Honey if you stay
I'll be forgiven
Nothing you can say can stop me going home
[x3] (On third and final verse, music fades, only vocals
are heard.)
