"All Hallows Eve"

Fall fires burning neath black twisted boughs
Sacrifice - to above
Smoke swirling quickly towards misting clouds
Offering - of this blood
Into the flames and without shame - consumed with
howls and screams
Pumpkins grin - in their despair - on all - hallows eve -
hallows eve

Cruel be the wind as it quells my words
I shout out - to the rain
Incantations I've so hope you've heard - that you - live
again
From deep earth brings forth rebirth witness but I shant
believe
From below a chilling glow - on all - hallows eve -
hallows eve

Be spiderwebbed and glazed in frost
She wears death - beautifully
More stunning now - than in her life - on a bed - of
autumn leaves
Into her eyes and quite surprised I whispered don't you
leave
Sing macabre songs and we'll dance til dawn - on all
hallows eve
Hallows eve

Saint lucifer hear me praying to thee - on this eve - of
all saints
High be the price but then nothing is free - my soul I'll -
gladly trade

Ahhh - hallows eve - ahhh - hallows eve

Cold is the night in so many ways
Luna round - full and bright
Deep be the mud on the fresh dug graves
On yours - I recite - an ancient spell I know so well
success is guaranteed
I'll bring you back from where you've gone

On all - hallows eve - hallows eve

Saint lucifer hear me praying to thee - on this eve - of
all saints

High be the price but then nothing is free - my soul I'll -
gladly trade

Ahhh - hallows eve - ahhh - hallows eve

Ahhh - hallows eve - ahhh - hallows eve
