[Intro:]

Uh. Let's Do Something A Lil Different
Uh Uh Uh Whoa
We Got A Problem
She's Comin
Whoo
We Got A Problem
She's Comin
Okay
Introducin
T-Keli
Uh.

[Verse 1:]

Once Again I'm Sittin Here Explainin To You
I'm Tired Of You Actin Like A Fool
Show Up To My House Unannounced
Tryna Figure Out What's Going Down
You Blowin Up My Phone What's Goin On?
Can't You Get A Clue No One Is Home
I'm Sorry You Can't Be The Man That I
I Need In My Life

[Bridge:]

No More Havin To Deal With
All The Baggage You Come With
I'll Take The Time Out To Say This
Your Just Not The One
So

[Chorus:]

Leave
Get Your Hancuffs Off Of Me (Off Of Me)
I Thought You Were Here To Make Me Happy (Happy
Yea)
But You Ain't Doin Nothin
For Me (For Me Oh Woo Woo)
I Gotta Tell You Somethin
I
Need You To Justify (I, I)
The Reason You Wastin My Time (Oh)

But You Were Good For Nothin.(Always)
Always Into Somethin

[Verse 2:]

I'm Not Gonna Sympathize For You
You Never Came Through When I Needed You
Forever Had Plans Without Me In
So I'm Gonna Take This Time For My Girls And Them
(Time For Me)
I Never Thought Id See The Day That We'd
Go On Our Seperate Ways
I Can't Believe
I'm Sorry You Can Be The Man That I
I Need In My Life (Oh)

[Bridge:]

No More Havin To Deal With
All The Baggage You Come With
I'll Take The Time Out To Say This
Your Just Not The One
So

[Chorus:]

Leave
Get Your Hancuffs Off Of Me
I Thought You Were Here To Make Me Happy (Happy
Yea)
But You Ain't Doin Nothin (For Me Yea Yea)
For Me
I Gotta Tell You Somethin
I
Need You To Justify (Justify, I)
The Reason You Wastin My Time (My Time)
But You Were Good For Nothin.(Always)
Always Into Somethin
