"Bloody Kisses"

Not long ago but far away
A rainy winter's day
All her pain she kept inside
Could no longer hide
No cry for help
She killed herself
Both life & love could not be saved
She took them both to the grave

A pair of souls become undone
Where were two now one
Devided by this wall of death
I soon will join you yet
With my blood I'll find your love
You found the strength to end you life
As you did so shall i

Oh no
Please don't go
It's like a death in the family

A crimson pool so warm & deep
Lulls me to an endless sleep
Your hand in mine - I will be brave
Take me from this earth
An endless night - this, the end of my life
From the dark I feel your lips
And I taste your bloody kiss

Oh no
Please don't go
It's like a death in the family

Don't die on me
Don't die on me
Don't die on me
Don't' die
