My cinnamon girl - my cinnamon girl

I wanna live with a cinnamon girl
I could be happy the rest of my life with her and i

A dreamer of pictures i run in the night - you see us
together
Chase the moonlight

My cinnamon girl - my cinnamon girl

Ten silver saxes a bass with a bow
The drummer relaxes waits between shows
Feels right

A dreamer of pictures i run in the night
You see us together chase the moonlight - all right

My cinnamon girl - my cinnamon girl

Pa sent me money now i'm gonna make it somehow i
need another
Chance
You see my baby loves to dance - yeah - yeah

Feels right
All night

My cinnamon girl - my cinnamon girl
