No I don't believe in love anymore
I know now it aint real
Cause Ive heard people say no matter what true love
concur's all

And it hurt so bad

im here alone
No I don't believe in love anymore
You said you'd always be here And now you're gone
away
And I can't heal this pain in my heart

And it hurt so bad

I need to know
Do you ever think of me, ever think of me, ever since
we said its over?
Are you ever missing me, ever missing me?
Baby did you even love me?

Don't even know why I wait up anymore
There's no one coming back here
I miss you more each day and I can't even give you a
call

And it hurt so bad

Where did we go

I don't pray of waking up anymore
But in the life that I live I wish my dreams would stay It's
the only world where I'm in your heart

And it hurt so bad

I need to know
Do you ever think of me, ever think of me, ever since
we said its over ?
Are you ever missing me, ever missing me?
Baby did you even love me?

Do you ever wonder what we could have been?
I thought the love would last forever
You turned into my best friend
No one living knows me better
There's nothing I can do but try to make it through

So baby could you please let me know
Do you ever think of me, ever think of me, ever since
we said its over ?
Are you ever missing me, ever missing me?
Baby did you even love me?

Do you ever think of me, ever think of me, ever since
we said its over ?
Are you ever missing me, ever missing me?
Baby did you even love me?

(Ever since we said its over) no I don't believe in love
any more
