Hey peter where you going with that axe in your hand

I'm going to kill my baby cause i caught her screwing

With some other man

round - with
Some other man
Other man
I really don't go for that shit

Hey peter you know i heard you cut your whore down
Hey peter you know i heard you cut your whore down
Cut her down to the ground

That's right i killed my baby - caught her screwing
round with
Every guy in town
That's right i killed my baby - caught her screwing

Over this town
Over this town

Hey pete where you going - i want to know
Hey pete said where - where you gonna go

I take that d train - take it down - to brighton beach -
