[Intro:]

Uhh uhh uh uh uo woah woah uh uh uh uh ou whoa  
whoa..

[Verse 1:]

Something, Something  
as Simple As Me Hearing Your Name(Hearing Your  
Name)  
Puts Me, Puts Me In A Place That I Can't Even  
Explain(Puts Me In A Place That I Can't Even Explain)  
I Really Didn't Know Back Then  
But Right Now Im Totally Sure  
Baby I Know Im Your Friend But I Wanna Be Much More

I Get Butterflies When I See You Coming  
Oh Boy You Got Me Running  
This Feeling In My Stomach Tells Me I Should Be Your  
Woman  
Cause You're The Only One Who Makes My Fairy Tale  
Come True

[Chorus:]

How Can Someone Make Me So Sad But Still I Only Want  
Them To Stay  
I Wanna Say I Love You So Bad, But I Dont Wanna Scare  
You Away  
Please I Wish That You'll Understand  
That I Wanna Be More Than Just Your Friend  
I Wish You Loved Me

[Verse 2:]

I See, I See You Talking To Them Girls On The Phone  
I Wish That I Can Tell Them All To Leave You Alone  
Really Didn't Know Back Then But Right Now Im Totally  
Sure

That I Wanna Be Much More

This Is Why I Never Really Like Your Girlfriends  
Why I Never Really Gave Them A Chance  
Because I Realized That Im Your Woman

[Chorus:]

How Can Someone Make Me So Sad But Still I Only Want  
Them To Stay  
I Wanna Say I Love You So Bad, But I Dont Wanna Scare  
You Away  
Please I Wish That You'll Understand  
That I Wanna Be More Than Just Your Friend  
I Wish You Loved Me

[Bridge:]

Said If You Really Love Somebody,  
I Mean Really Really Really Really Love Somebody  
Let Me Hear You Say Yeahh, Let Me Hear You Say  
Yeahh Yeahh  
If You Really Know You Need Them  
And You Know Deep Down Youre Never Gonna Leave  
'Em  
Let Me Hear You Say Yeah Yeah Yeah Yeah  
Hear You Say Yeah Yeah Yeah Yeah

[Chorus:]

How Can Someone Make Me So Sad But Still I Only Want  
Them To Stay  
I Wanna Say I Love You So Bad, But I Dont Wanna Scare  
You Away  
Please I Wish That You'll Understand  
That I Wanna Be More Than Just Your Friend  
I Wish You Loved Me [x3]
