### "I'm Gone"

Got hooked at age fifteen  
Now I can't live without it  
You don't know how much I dream  
Now I can't about it  
Searching this matrix  
Sometimes it hurts to love it  
At times I love to hate it  
I know that you think I'm buggin

I'm not sure how it feels to have the  
Whole world running up on your heels  
It's gets so lonely up at the top  
But I'm not complaining  
Even if I wanted to, I can never stop  
Cause

I'm gone  
I'm higher than you ever seen  
I'm gone  
Further than you could ever dream  
When it's said and done  
I finish second to none  
There's only room for one  
Wish I could catch myself  
Cause I'm  
I'm gone  
It's like I've left the stratosphere  
I'm gone  
No point of looking for me here  
When it's said and done  
I finish second to none  
There's only room for one  
Wish I could catch myself  
Cause I'm gone

Cause luxury is my everyday reality  
But it's not all that it seems  
That's just not what's drivin me  
See it's this music I bleed  
These lyrics I breath

And the melody is such a part of me

I'm not sure how it feels to have the  
Whole world running up on your heels  
It's gets so lonely up at the top  
But I'm not complaining  
Even if I wanted to, I can never stop  
Because

I'm gone  
I'm higher than you ever seen  
I'm gone  
Further than you could ever dream  
When it's said and done  
I finish second to none  
There's only room for one  
Wish I could catch myself  
Cause I'm  
I'm gone  
It's like I've left the stratosphere  
I'm gone  
No point of looking for me here  
When it's said and done  
I finish second to none  
There's only room for one  
Wish I could catch myself  
Cause I'm gone

I'm not sure how it feels to have the  
Whole world running up on your heels  
It's gets so lonely up at the top  
But I'm not complaining  
Even if I wanted to, I can never stop  
Because

I'm gone  
I'm higher than you ever seen  
I'm gone  
Further than you could ever dream  
When it's said and done  
I finish second to none  
There's only room for one  
Wish I could catch myself  
Cause I'm  
I'm gone  
It's like I've left the stratosphere  
I'm gone  
No point of looking for me here  
When it's said and done  
I finish second to none  
There's only room for one

Wish I could catch myself  
Cause I'm gone
