I self destruct every relationship  
so that I dont get hurt  
but the truth is I just hurt myself worse  
I wasnt ready to admit  
I needed help with this  
Was living in denial wasnt ready to face the truth  
now all I can say to you is I wish

I wish I wish that I could take it all back  
I want it all back cuz this cant be it my love  
I need another chance with this just tell me  
Its not over,  
its not over,  
its not over,  
its not over,  
its not over,  
its not over

im giving up on hope cuz no matter what I do  
I cant erase you I still need you with me  
wanna put all my faith in love  
let it start with us  
fix whatever's broken so that we can start a new  
now all I have left is you  
thats why I wish I wish

I wish I wish that I could take it all back

I want it all back cuz this cant be it my love  
I need another chance with this just tell me  
Its not over,  
its not over,  
its not over,  
its not over,  
its not over,  
its not over

im sorry if I ever hurt you  
just tell me what you want me to do,  
I never thought the day would come  
When you would up and walk right out the door  
And if we ever get it back youll see

That theres no other place you should be yeah  
Can we get us back I just want us back yeah yeah yeah

I wish I wish that I could take it all back  
I want it all back cuz this cant be it my love  
I need another chance with this just tell me  
Its not over,  
its not over,  
its not over,  
its not over,  
its not over,  
its not over
