That I Do. But That Was Neva Enough... No I Was Neva
Enough For U!

Spendin Ur Nights Away From What U Call A Home.
Lying Awake Late At Night With No1 To Hold. So What
Was I To Do...Jus Stay And Play A Fool. Pretend That
Things Were Cool? Woah...

Things Aint What They Use To Be..When All U Did Was
Lie To Me. I Was By Ur Side, U Couldnt Wait To Leave.
But Now Dat U Without Me, Its So Hard To Breath. Tell
Me...
