"Mistaken"

[Intro:]

Mmmmm Ohhhh yeah
oh woowowoowo ahh

[Verse 1:]

See I cant Understand
Why my man raise his hand
Do it all thick and thin
Was you a rider to the end
Did my best to forget
Like everything was cool
And you aint into
But I wont be a fool

[Bridge 1:]

No more excuses
Â'Bout to lose it
I cant do this
Your games and all your lies are useless

[Chorus:]

Ohhhh I cant believe you went and did me wrong
Never thought I would make it on my own
You must have me mistaken for the BITCH that you was
dating on the low
Ohhh I'm better off now that I'm all alone
Cause ain't no way IÂ'm waiting by the phone
So can you take it baby??
She can freak you crazy
Put it on you daily like OHhh!

[Verse 2:]

La la la la la la la la la laaaaaaaa

Sick in tired of how it feel
CouldnÂ't you just keep it real?
Wasn't I good enough?
DidnÂ't I show you love?
Time and time day the day
You had to have your way

You were steady in my face
Said Iâ€™m easy to replace

[Bridge 2:]

No more lying
Left me crying
No more Buying
Your games and all your lies about your Ohhh...

[Chorus:]

Ohhhh I cant believe you went and did me wrong
Never thought I would make it on my own

You must have me mistaken for the BITCH that you was
dating on the low
Ohhh I'm better off now that I'm all alone
Cause ainâ€™t no way Iâ€™m waiting by the phone
So can you take it baby??
She can freak you crazy
Put it on you daily like Ohh!

[Verse 3:]

Your never be a part of me again
Between the sheets with me
On top of you again
Hope she makes you happy
Happy till the end
Nothing last forever
You know that Iâ€™m better
Try to tell your friends that I aint worth the time
Now Iâ€™m gone Iâ€™m constantly on your mind
When you hear the song go ahead and press rewind
Wish we were together
Baby boy no never!

[Bridge 3:]

No more excuses
â€™Bout to lose it
I cant do this
Your games and all your lies are useless
No more lying
Left me crying
No more Buying
Your games and all your lies about your Ohhh...

[Chorus:]

Ohhhh I cant believe you went and did me wrong
Never thought I would make it on my own
You must have me mistaken for the BITCH that you was
dating on the low
Ohhh I'm better off now that I'm all alone

Cause ain't no way Iâ'm waiting by the phone
So can you take it baby??
She can freak you crazy
Put it on you daily like Ohh!
