Verse: Funny how the wrong seemed right, when we first started hanging (tough?). Funny how we said no fights, yet every other day we making up. Funny how we say no lies... but everything you say be fake as fuck. Now you wanna take some time, but you don't wanna say we breaking up... but you know what?

Chorus: Im not your baby, holler back.. one.. peace out.. im gone. Im better off without you baby, Adios, im out yo. I aint the one. No more, ?... Do yo thang. nah I aint coming back.

Verse 2: (I would go for mine?).. To every other lady.. know whats up. Now you keep your phone on vibrate. So I don't hear the way its blowing up. I don't wanna call your line. I don't wanna use my favorites up. I don't wanna waist my time.. cause all your gonna do is hang up. You aint got to... say baby don't you leave me. I've been so through... your ass, whats up. believe me.

Chorus: Im not your baby, holler back.. one.. peace out.. im gone. Im better off without you baby, Adios, im out yo. I aint the one. No more, ?... Do yo, Do yo thang. Nah I aint coming back. (I'm not your baby)

Hook: So whatchu whatchu thought baby? Did you think you could do me so shady... and I would be here with open arms waiting?? So whatchu whatchu thought baby? Did you think you could do me so shady... and I would be here with open arms waiting??

Chorus x2: Im not your baby, holler back.. one.. peace out.. im gone. Im better off without you baby, Adios, im out yo. I aint the one. No more, ?... Do yo, Do yo thang. Nah I aint coming back. (I'm not your baby)
