Ooooooo whoooo

[Verse 1:]

You know how, how, to worship me yea.

Give me diamond rings with out buying a thing.

You know how, how to, how to turn me over and make  
me see

That it's ok to be me. And ooh (and ooh) time jus  
moves so slow

When you're not here, somethings wrong.

[Chorus:]

Sitting in my bedroom waiting, waiting for you to come  
back to me. (waiting for you babe)

Thinkin bout the love you gave me, sitting in my  
bedroom. (ooh ooh sitting in my bedroom)

Listening to the radio, wishin you would hold me close  
(hold me close) wanting to give myself to you.

Sitting in my bedroom. Thinking of only you. (ooh  
baby)

[Verse 2:]

Uh, you how, how, how to make me go crazy when I'm  
with you.

Boy you know jus what to do, and ooh (and ooh) I jus  
loose control

Whenever you're near babe, nothings wrong.

[Chorus:]

Sitting in my bedroom waiting (aww baby), waiting for  
you to come back to me. (waiting for you)

Thinkin bout the love you gave me, sitting in my  
bedroom. (sitting in my room)

Listening to the radio, wishin you would hold me close  
(hold me close) wanting to give myself to you.

Sitting in my bedroom. Sitting in my bedroom.

[Verse 3:]

Oooh, baby now I know it's real, when you put your  
arms around me.

Show me how you feel, and I jus can't wait to give you,

everything you need.  
And I don't wanna be here alone anymore. Time you  
can't take you away ooh.  
La la la la la la la la la la la la. And ooh time jus  
moves so slow  
When you're not here, somethings wrong. Yeeeaahaa  
yeaaa yea!

[Chorus:]

Sitting in my bedroom waiting, waiting for you to come  
back to me.  
Thinkin bout the love you gave me, sitting in my  
bedroom. (sitting in my bedroom ooohh)  
Listening to the radio, wishin you would hold me close  
(wishing you would hold me close oooo nah) wanting to  
give myself to you.  
Sitting in my bedroom. Thinking of only you (of only you  
ohhh)

Sitting in my bedroom waiting (sitting in my room),  
waiting for you to come back to me (waiting for you  
baby).  
Thinkin bout the love you gave me (yea yea yea),  
sitting in my bedroom. (ooohh)  
Listening to the radio (radio), wishin you would hold me  
close (hold me close ooohh) wanting to give myself to  
you.  
Sitting in my bedroom.
