[verse one:]

here i go again wanting you back,
even though you broke my heart.
i fell in love with a man wearing a disguise
& it came crumbling down before my eyes

[choir:]

you're my eternal sunshine,
but the only thing in life that i despise.
wish i had a spotless mind
forget our memories i just want a spotless mind.

[verse two:]

walking by the places we used to go
sparked a memory of us
& how you fill my heart with just one smile
empty it all out with a simple lie.

[choir:]

you're my eternal sunshine,
but the only thing in life that i despise.
wish i had a spotless mind
forget our memories i just want a spotless mind.
you're my eternal sunshine,
but the only thing in life that i despise.
wish i had a spotless mind
forget our memories i just want a spotless mind.

[hook:]

the only way to let go
is to vacate you from my heart and soul oh
so if ever our paths shouldo cross once again
i wouldn't know you at all
'cause there's no recolection of uuuuuuus so,

[choir / outro:]

you're my eternal sunshine, oohuohu
but the only thing in life that i despise.
wish i had a spotless mind
forget our memories i just want a spotless mind.
i want ohhhuuhuuuohhhuoh
i want a spotless mind

i wanna forget chu baby
i wanna forget chu
said i want a spotless mind.
