(Thinkin bout ya, thinkin bout ya)

[Verse 1:]

Been awhile since you been part of my life tho I act like
I'm over you my heart ain't satisfied
I went and pushed you to the side thinkin I'll be alright
maybe I was wrong for walkin out the door on ya
Didn't understand love didn't know what it was comen
in between us wondern what we always fussed for
Now I'm feelin diffrent cause I can't lie I miss you so
much I can't hide I'm missin you baby

[Chorus:]

Here I go again thinkin bout ya thought I was over it but
I guess I'm not that strong
And somethings telln me your thinkin bout me too don't
know what I'm posta do got
Sittn here thinkin about you

[Verse 2:]

Behind a fake of a smile I really feel like I'm not over
you (I'm not over you) there was a reason why I put up
My gaurd for a while it was hard for me to trust you
didn't understand love didn't know what it was comen
in

Between us wondern what we always fussed for now
I'm feelin diffrent cause I can't lie I miss you so much
I can't hide I'm missin you baby

[Chorus:]

Here I go again thinkin bout ya thought I was over it but
I guess I'm not that strong
And somethings telln me your thinkin bout me too don't
know what I'm posta do got
Sittn here thinkin about you

I and I wish we never went our seperate ways cause we
had a bond that no one could
Ever replace what I wouldn't give to get back to those
days when we were in love

[Chorus:]

Here I go again thinkin bout ya thought I was over it but
I guess I'm not that strong
And somethings telln me your thinkin bout me too don't
know what I'm posta do got
Sittn here thinkin about you
