"Walls Up"

I got my walls up, walls up, walls up
I got my walls up, walls up, walls up

Watchin you
Runnin through
My battlefield
Broken hearts
Battle scars
Of those who fell before you
This one made me promises
And that one he caused all of this
If I were you I wouldn't stay
If I were you I'd run away

I got my walls up
Even though I know that you might could be the one
I got my walls up
And I pray that you can take them down

Gotta climb high, if you want to come in
Gotta climb before we can even begin
Gotta climb high if you're lookin for my love
Gotta climb high if you're gonna be the one
Got my walls up
Don't fall down
Walls up
Don't fall down
So don't you give up
(Don't you give up)
Cause I got my walls up

You don't know that
I've been through
A million you's
And you can't see my history
It's gonna be hard on you
You gotta deal with what they did
You gotta fight these damages
If I were you I wouldn't stay
If I were you I'd run away

Cause I got my walls up
Even though I know that you might could be the one
I got my walls up
And I pray that you can take them down

Gotta climb high, if you want to come in
Gotta climb before we can even begin
Gotta climb high if you're lookin for my love
Gotta climb high if you're gonna be the one
Got my walls up
Don't fall down (baby don't fall down)
Walls up
Don't fall down
So don't you give up
(Don't you give up)
Cause I got my walls up

You gotta give it all you got
(Walls up, walls up, walls up)
Don't fall, don't give up
You know it's gonna take alot
Walls up, walls up, walls up
Don't you, you give up
Not wasting your time boy stay tough
If you wanna be mine don't give up
Walls up, Walls up, Walls up
Even though I got my walls up

Gotta climb high, if you want to come in
Gotta climb before we can even begin
(Gotta climb, gotta climb)
Gotta climb high if you're lookin for my love
(If you're lookin for my love, then you gotta climb high)
Gotta climb high if you're gonna be the one
Got my walls up (Walls up)
Don't fall down (fall down)
Walls up
Don't fall down
So don't you give up
(Don't you give up)
Cause I got my walls up

You gotta climb high, if you want to come in
Gotta climb before we can even begin
Gotta climb high if you're lookin for my love
Gotta climb high if you're gonna be the one
(And you know I got my walls up)
Got my walls up
Don't fall down
(And they're never gonna come down)

Walls up
Don't fall down
So don't you give up
Cause I got my walls up
