Verse 1:

I knew from the start
That this would be an uphill climb
But i did it anyway
Hoping a change of heart
would somehow appear and we'd be okay

Hook:

I must of been asleep making deciscions
I woke up feeling different
It wasn't what I was asking for
Said we got potential of forever
But still we're not together
Don't know what i'm waiting for
When I know that it's all...

Chorus:

Wishful Thinkin
That's all it ever was
Just a fictious love
Wishful Thinkin
I want to live back on earth
Cause in the clouds I keep getting hurt
I'm not gaining a thing
Living inside of my dreams
Of what I thought we would be
It was just
Wishful Thinkin
Wishful Thinkin, got me stuck

Verse 2:

Stuck between a wall and rock
Cause I still want you even though
You pulled a hit and run
Now it's gone too far
Our hearts been hoping for too long
That one day will come

Hook 2:

If you change up your decision
To make this love official
Am asking for just a little more

Said we got potential for forever
But still we're not together
Don't know what i'm waiting for
Cause all it was...

Chorus:

Wishful Thinkin
That's all it ever was
Just a fictious love
Wishful Thinkin
I want to live back on earth
Cause in the clouds I keep getting hurt
I'm not gaining a thing
Living inside of my dreams
Of what I thought we would be
It was just
Wishful Thinkin
Wishful Thinkin, got me stuck

Bridge 2x:

As of right now
I'm making some changes in my life
Loving you is all wrong
but i look for ways to make it all right
Got to wake up, wake up, wake up
It's time I let this go
Wake up, wake up, wake up
I got to let you go

Chorus:

Wishful Thinkin
That's all it ever was
Just a fictious love
Wishful Thinkin
I want to live back on earth
Cause in the clouds I keep getting hurt
I'm not gaining a thing
Living inside of my dreams
Of what I thought we would be
It was just
Wishful Thinkin
Wishful Thinkin, got me stuck
