She's black smoke forming across the sky
I ask for water and she brings me wine, she brings me
wine
She's one part angel, the other part sin
I say I'm tired and she says, let's go again
Let's go again

Chorus:
My kind of, my kind of beautiful
Lover and friend
If I'm dreaming, please don't wake me up
I wanna see how, how the story ends

She's a bad moon risin'
She's the sunlight through the rain
She's the calm before the storm
Yeah she's a hurricane
A hurricane

Oh, Sunday morning service, with that look in her eye
I never heard the preacher's words but I saw the light
I saw the light

Chorus:
My kind of, my kind of beautiful
Lover and friend
If I'm dreaming, please don't wake me up
I wanna see how, how the story ends

I wanna see how it ends

If I'm dreaming, please don't wake me up
I wanna see how, how the story ends

My kind of, my kind of beautiful
Lover and friend
If I'm dreaming, please don't wake me up
I wanna see how, how the story en
