Idle hands may be  
The devils work  
Unbridled minds you see  
Are so much worse  
Too much pity spent  
And wasting time  
Irresponsibility  
Not my only crime, no

Obsessive thinking  
Depressed drinking  
The person I once was  
He's dead  
Exhume the past this time  
Will be my last  
This is my final quest  
To remove the mask, yeah

Don't be afraid  
As she pulled down the shade  
Said there's nothing to fear  
But the monster is here  
So just tell me the time  
Be it quarter of nine  
Since the sun's gone away  
Now the creature will play

Ice blue eyes follow me  
Everywhere I go  
Making my heart appear as lead  
I hate to wish it  
But I'll tell you though  
That I'm quite ready  
'Cause I'm already dead

Don't be afraid  
As she pulled down the shade  
Said there's nothing to fear  
But the monster is here  
So just tell me the time  
Be it quarter of nine

Since the sun's gone away  
Now the creature will play
