Not long ago but far away  
A rainy winter's day  
All her pain she kept inside  
Could no longer hide  
No cry for help  
She killed herself  
Both life & love could not be saved  
She took them both to the grave

A pair of souls become undone  
Where were two now one  
Divided by this wall of death  
I soon will join you yet  
With my blood I'll find your love  
You found the strength to end your life  
As you did so shall I

(Chorus:)

Oh no, please don't go  
It's like a death in the family  
A crimson pool so warm & deep  
Lulls me to an endless sleep  
Your hand in mine - I will be brave  
Take me from this earth  
An endless night - this, the end of life  
From the dark I feel your lips  
And I taste your bloody kiss

("Repeat chorus)

Don't die on me  
Don't die on me  
Don't die on me  
Don't die  
("Bloody Kisses")
