i've waited long enough for you no more wasted time
alone, saving the message you sent to me, is it okay?
i'll be waiting, did it ever crossed your mind, that i'm
falling for you, and i never had the time and i don't
have the words to say i'm falling out of place to another
lonely road, the words i want to say seems to hide
behind my head, the message that you sent, i kept it in
my heart, i'm falling out of place to another lonely you.
the night is young and no stars, but your voice soothes
my ears, you broke up with your boyfriend, is it okay? if
i'll be wa
