It's not as easy as it sounds
Like I'll be breaking down again
One thing that keeps me sane
Is the promise that we keep

But you're so calm
Yet so brave
I'll watch you sleep and wish
That this moment will never change

Go on, I will be waiting here
Be strong, nothing for you to fear
Hang on, this isn't over
Go on, I will be waiting here

Drag my eyes onto the ground
And I will never make a sound
'Cause this is something I believe
That you'll be coming home to me

Distance, again our mortal enemy
We've been winning all these years
So please don't give up on
Don't give up on me

Go on, I will be waiting here
Be strong, nothing for you to fear
Hang on, this isn't over
Go on, I will be waiting

This promise we've made
I will hold in my hand
I will stay, I will wait
'Cause I belong to you

If this ground never break
I'll be calm, I'll be brave
I will stay, I will wait
I will wait for you

Go on, I will be waiting here

Be strong, nothing for you...
Hang on, this is'nt over
Go on, I will be waiting here.
