After all we been thru ups and downs in our
relationship
After all that I've sacrifice in the end you give me this
If I can't choose who I love I gotta make my choice
Deep down inside of my heart, I keep hearing this voi-
ce
And it's tellin me to let you go,
But the same voices is say don't let him walk out of that
door

[Chorus:]

So I say no no no no no no no
I'm not gone let you go go go go go go go
And tho it hurts me so so so so so so so

[Verse 2:]

You must be crazy crazy
You gotta be kiddin me
Thought I was your lady lady M.I.S.T.A.K.E
Your a selfish man, your such a selfish man
A predictable, typical, hypercritical, kind a man
You so cold, and you so heartless
After all we've done, how could you be so thoughtless,
yeah
And something is tellin me to let this go
But the same voices is say don't let him walk out of that
door

[Chorus:]

So I say no no no no no no no
I'm not gone let you go go go go go go
And tho it hurts me so so so so so so so (even tho you
broke my heart baby oh yeah)

[Bridge:]

I accept your apology
Even tho you haven't said it I believe that you are
Because of how many times that you said it before
And my friends all think I'm crazy
Cause lately baby you seen so shady
They say I should just walk out the door
And I recognized the hard times
You mistreat this heart of mine
Wish that we could just rewind
Even if I regret it I might not know if I let it go
And that just how it is

[Chorus:]

So I say no no no no no no no (I say no)
Oh no hmmm cause I can't find it in my heart
To let you go go go go go go go
I can't do it baby boy you drive me crazy
You hurt me so
And tho it hurts me so so so so so so so
Promise you won't do this to me again
It's gon take some time for my heart to mend
I'll forgive and let this go go go go go go
Damn damn I can't believe what you done to me...
I accept your apology yeah yeah yeah yeah yeah yeah
yeah yeah
I accept your apology yeah yeah yeah yeah yeah yeah
yeah yeah
I accept your apology
