You're Giving Me A Rush, Rush
Everytime That You Come Around
And When We Touch, Touch
I Can't Get Enough

You're Giving Me A Rush, Rush
Everytime That You Come Around
And When We Touch, Touch
I Can't Get Enough

Tell Me All Your Secrets
I Wont Tell A Soul
I'll Keep It On The Low

Just Tell Me What You Do
That Makes Me Wanna Lose Control
We Got A Special Thing
Cant Let No Body Come In Between

I Know You Feeling
Hope Youre Feeling The Same Way I Feel

They'll Never Understand The Way I Feel
Wonder Why We're So Affectionate
Why, Why
Just Tell Them That It's Human Nature

You're Giving Me A Rush, Rush
Everytime That You Come Around
And When We Touch, Touch
I Can't Get Enough

You're Giving Me A Rush, Rush
Everytime That You Come Around
And When We Touch, Touch
I Can't Get Enough

It Don't Matter Who's Around
Or Where We Are
Baby It Feels Like We're Alone
You Take Me Places No One's Ever Taken Me Before
You Aint Gotta Say It (You Aint Gotta Say It)

Cause I Know What You're Gonna Say
Baby Can You Send It
Just Rush (Rush) Your Love Here Right Away

They'll Never Understand The Way I Feel
Wonder Why We're So Affectionate
Why, Why
Just Tell Them That It's Human Nature

You're Giving Me A Rush, Rush
Everytime That You Come Around
And When We Touch, Touch
I Can't Get Enough

You're Giving Me A Rush, Rush
Everytime That You Come Around
And When We Touch, Touch
I Can't Get Enough

Take Me
Away From Here So Far Away
Baby
Something About The Way When You
Touch Me
You Make Me Feel So Free

Oohhh You Give Me A Rush, Rush
Everytime That You Come Around
And When We Touch Touch
I Can't Get Enough

You're Giving Me A Rush (Rush)
Everytime That You Come Around
And When We Touch Touch
I Can't Get Enough

You're Giving Me
You're Giving Me
