My mama said that your life is a gift  
And my mama said there's much weight you will lift  
And my mama said leave those bad boys alone  
And my mama said be home before the dawn  
And my mama said you can be rich or poor  
But my mama said you can be big or small

But I'm always on the run

My mama said that it's good to be fruitful  
But my mama said don't take more than a mouthful  
And my mama said that it's good to be natural  
And my mama said that it's good to be factual

But I'm always on the run

My mama said baby don't ride that crazy horse  
And my mama said you must push with much force  
And my mama said go get all that you're after  
And my mama said that love's all that matters

But I'm always on the run
