Empty walls are what you're staring at you try to sort it out but there's nothing in your head so try to feel it, try to feel it when you wake up to the sound of pouring rain you often think it triggers off the pain but can you feel it?

Can you feel it?

Maybe sometime you'll be old enough, too Maybe sometime I'm here to remind you of your Maybe sometime

when you're sitting at your window late at night and you think that you'll never get it right why don't you feel it? Try to feel it
