ONE TWO THREE FOUR!

Service is suspended  
Service shall resume  
Service running late again  
Service running smooth  
This space becomes so lonely with these feelings of  
mistrust  
The monsters in the corners made us feel we must

Spot the train, trainspotter oh  
Spot the train and stop the monster

And everyone's buying bicycles  
They went and bought bicycles  
And everyone's buying bicycles  
And everyone's buying bicycles

City looking empty  
City running scared  
The city got new friends that day  
Cities really cared  
Looks are trifle shifty and they're not about to change  
No one likes what they don't know so slowly we  
estrangle

Spot the train, trainspotter oh  
Spot the train and spot the monster

The quickest route to paradise  
Such a short commute to paradise  
And a sharp salute  
Sharp salute to paradise

And everyone's buying bicycles  
And everyone's buying bicycles  
And everyone's buying bicycles  
And everyone's buying bicycles  
Not the bus - Bicycles  
Not the train - Bicycles  
They're buying bicycles

They're buying bicycles  
Bicycles
