I was in the other room
When handsome was getting leather and laces
Couldn't save a family
'Cause heroes wear masks and lycra
Out, out, out, out, out, mary get out
Your freezing
In, in, in, in, in, brother get in
Get your head kicked in, in, in, in, in
'Cos it's in, in, in, in, in

Down, down, down, down
Heard you fell down
And you scraped your knee
Up up up up
Pick yourself up
You get a plaster on your cut
'Cause it's sewn up
It's sewn up

Wishing it was you...

So you've got yourself in a hole
And you can't get out
I won't be there, can't be around
So hold me down
And let you know
'Bout the places we can't go
I won't let go, I won't hold you back
I'm falling away
I'm paying the price, I'm willing to pay
So, willing to pay the price you pay
And the reason I can't stay
'Cause you live so far away

Wishing it was you...

So out, out, out Mary get out
'Cause your freezing and in
In, in, in
Brother get in...
