She said you chew me up and then you  
Spit me out and you can't do those things  
I said you fed me like I was a baby  
And I never asked you for ...  
Anything  
She says why do I always have to bleed  
Maybe then I'll love you  
She says why do I always have to bleed

Maybe then I'll ...  
Love you  
She said you can't see anything  
She said you can change anything  
She said you can paint your sky any colour  
Any colour it's all up to you  
And you can paint your dark as dark as you need  
And you can paint your light as light as you please  
It's all up to you
