Rolled together with a burning paper heart.  
Rolled together with a burning paper heart.  
Rolled together with a burning paper heart.  
Rolled together with a burning paper heart.

Pulled together but about to burst apart,  
Rolled together with a burning paper heart.

Pulled together but about to burst apart,  
Rolled together with a burning paper heart.

Pulled together but about to burst apart,  
Rolled together with a burning paper heart.

Pulled together but about to burst apart,  
Rolled together with a burning paper heart.
