Aint no sunshine when she's gone  
It's not warm when she's away  
Aint no sunshine when she's gone  
She's always gone too long anytime she goes away

I wonder this time where she's gone  
I wonder if she's gone to stay  
Aint no sunshine when she's gone  
And this house just aint a home anytime she goes away  
Anytime she goes away

And I know I know I know I know I know  
I know I know I know I know I know  
I know I know I know I know I know  
I know I know I know I know!

Hey I'll leave the young thing alone  
But there aint no sunshine when she's gone  
Only darkness every day  
Aint no sunshine when she's gone  
And this house just aint a home anytime she goes

Anytime she goes away
