For years, I've waited  
And I'll wait again  
I know patience is a virtue  
But I'm wearing thin

I've got my fingers crossed  
Praying every night  
That I'll find someone like you  
To treat me right

Oh, oh, girl  
Are you serious  
Or just having fun  
Are you serious  
Tell me, are you the one

I know from experience  
I've got to play it cool  
You're not like the others  
Using me like a tool

Is this another trap  
Baited full of pain  
Can I really trust you, girl  
Or are you playing a game

Oh, oh, girl  
Are you serious  
Or just having fun  
Are you serious  
Tell me, are you the one

(Are you serious) oh, baby

Are you serious  
Or just having fun  
Are you serious  
Tell me, are you the one

Me for you, you for me  
(Serious) ooh, baby

Are you serious  
Or are you having fun  
Are you serious  
Tell me, are you the one

Are you serious, baby  
Are you having fun  
Are you serious

Are you serious  
Tell me, are you the one  
You and me, you and me

(Are you serious)  
You and me, baby
