You better turn it loose  
You better turn it loose

I went downtown the other day  
And I heard a woman say  
I do all I can for that man  
At home, he still won't stay

I could tell the way  
That woman spoke  
Her heart was truly broke

She said, if a man  
Can't treat his woman right  
Give her good loving day and night  
He sure oughta

(CHORUS)  
Give it up, turn it loose  
(Turn it up loose)  
Give it up, turn it loose  
(Turn it up loose)

You need your man  
To be satisfied  
But he tells you no  
With no reason why

You will finally find out for yourself  
There ain't no love between  
The two of you left

(CHORUS)

When you try as hard as you can  
To do what you think is right  
And still, you get that  
Same old cold shoulder  
Ooh, that same old shoulder  
Late at night, late at night

Here's what you do

(CHORUS)

When you've done all you can do  
Give it up  
When you see it just ain't no use  
Turn it loose

Way lay at night  
When you're laying down  
And you need some hugging  
And no one's around

You'll walk around all day long  
With love on your mind  
You're thinking about the love  
That you just get sometime

(CHORUS)

When you have someone  
Sitting there by your side  
And ain't no company at all  
All you need is a little loving touch  
And when you don't get it  
It hurts you so much

(CHORUS)

Give it up, give it up  
Give it up, baby, turn it loose
