She watches the sunset slip out of sight  
She points to the lilacs in bloom  
Her eyes filled with wonder  
And my eyes they do the same  
Just looking at her face

Now how did I get here?  
What have I done to deserve this?  
I have been showered by grace  
It's a beautiful night  
It's a glorious day  
When I'm looking at her face

I'm closing the curtains  
To keep the night in  
The morning is coming too soon  
She is still sleeping  
And I  
I'm still awake  
Just looking at her face

Now how did I get here?  
What have I done to deserve this?  
I have been showered by grace  
It's a beautiful night  
It's a glorious day

More than just beauty  
The something inside  
I see in her face  
Shines in her eyes  
All that I want  
For the rest of my life  
Every night that I sleep  
Every morning I wake  
Is to be looking at her face

Now how did I get here?  
What have I done to deserve this?  
I have been showered by grace  
It's a beautiful night

It's a glorious day  
When I'm looking at her face  
It's a beautiful night  
It's a glorious day  
When I'm looking at her face  
It's a beautiful night  
It's a glorious day  
When I'm looking at her face
