"Chardonnay"

This weekend
Is simply for disappearingâ€¦ lose yourselfâ€¦

No more thoughts
Going nowhere
Clear your mind, don't think for now

Just calm down, baby
Everything will be alright

Sweet sweet harsh emotion
Sadness in the air
Sunrise my devotion
No time for a chardonnay
Then you sigh, you seek a love song
And then I sigh, I write you a love song

Out of town
Carrying all our fears
And our prides

No one's fault
It's just you, it's just me
That's how we are

Please don't cry, baby
Everything will be alright, I think

Sweet sweet harsh emotion
Sadness in the air
Sunrise my devotion
No time for a chardonnay
Then you smile, you seek a love song
Don't know why, I write you a love song

Sweet sweet harsh emotion
Sadness in the air
Sunrise my devotion
No time for a chardonnay
Then you sigh, you play a love song
And then I try, I write you a love song
