There is no time nor money
That can buy being by your side
Tell me what is prettier
Than your smile and green eyes

Let's go far together
To get lost behind the sun

All I wanna do is walk with you by the ocean
All I wanna do is stay where you are
'Cuz I feel so great
When you are around me
Make a wish, hold my hand

All I wanna do is hold you by the bonfire
All I wanna do is take care of you now
Let me be the one
Who can say every night babe
â€™Sweet dreams, love you my sweetheartâ€™™

Our love is like movies
To be seen on sunday nights
Let me be your hero
Your DiCaprio or Tom cruise

But not the one who sinks or
Who sits in the back of the cab

All I wanna do is walk with you by the ocean
All I wanna do is stay where you are
'Cuz I feel so great
When you are around me
Stand by me, hold my hand

All I wanna do is hold you by the bonfire
All I wanna do is take care of you now
Let me be the one
Who can say every night babe
â€™Sweet dreams, love you my sweetheartâ€™™

Love, love, love

All you need is love
Love, love, love is all you need

All I wanna do is walk with you by the ocean
All I wanna do is stay where you are
'Cuz I feel so great
When you are around me
Stand by me, hold my hand

All I wanna do is hold you by the bonfire
All I wanna do is take care of you now
Let me be the one
Who can say every night babe
â€˜Sweet dreams, love you my sweetheartâ€™™
