Just have a little patience,  
I'm still hurting from a love I lost  
I'm feeling your frustration  
But in a minute all the pain will stop  
Just hold me close, inside, your arms, tonight  
Don't be too hard to on my emotions

Cause I need time,  
My heart is numb has no feeling  
So while I'm still healing  
Just try to have a little patience

I really want to start over again  
I know you wanna be my salvation,  
The one I can always depend

I tried to be strong, believe me  
I'm trying to move on,  
Its complicated but understand me,

Cause I need time,  
My heart is numb, has no feeling  
So while I'm still healing  
Just try to have a little patience yeah

Have a little patience, yeah  
Cause the scars run so deep  
It's been hard but I have to believe  
That you'll have a little patience  
Have a little patience

Oh cause I, I just need time,  
My heart is numb has no feeling  
So while I'm still healing  
Just try to have a little patience

Have a little patience  
My heart is numb, has no feeling  
So while I'm still healing  
Just try to have a little patience
