Caught in the middle of a crossfire
Lost my balance on the high wire
Trying to figure out what to do

Pushed to the edge of my reason
Everywhere around me is treason
I don't want to do that to you

[chorus]

Kamikaze airplanes in the sky
Are we going down or will we fly
This could be a shipwreck on the shore
We could sail away forever more

This time it's sink or swim
Sink or swim

Hearing the song in your laughter
Melody I chase after
No one else has done this to me

[chorus]

Kamikaze airplanes in the sky
Are we going down or will we fly
This could be a shipwreck on the shore
We could sail away forever more

This time it's sink or swim

Take a deep breath
No more time left
This is what I thought I wanted
Why am I afraid

[chorus x2]

Kamikaze airplanes in the sky
Are we going down or will we fly
This could be a shipwreck on the shore
We could sail away forever more

Kamikaze airplanes in the sky
Are we going down or will we fly

This could be a shipwreck on the shore
We could sail away forever more

This time it's sink or swim
Sink or swim
