This is where the chapter ends  
And new one out begins  
Time has come for letting go  
The hardest part is when you know

All of these years when we were here are ending  
But I'll always remember

We have had the time of our lives  
And now the page is turned  
The stories we will write  
We have had the time of our lives  
And I will not forget the faces left behind  
It's hard to walk away from the best of days  
But if it has to end, I'm glad you have been my friend  
In the time of our lives

Where the water needs the land  
There is shifting in the sand  
Like the tight that ebbs and floods  
Memories will gone and go

All of these years when we were here are ending  
But I'll always remember

We have had the time of our lives  
And now the page is turned  
The stories we will write  
We have had the time of our lives  
And I will not forget the faces left behind  
It's hard to walk away from the best of days  
But if it has to end, I'm glad you have been my friend  
In the time of our lives

We say goodbye, we hold on tight  
To these memories that never die  
We say goodbye, we hold on tight  
To these memories that never die

We have had the time of our lives  
And now the page is turned  
The stories we will write

We have had the time of our lives  
And I will not forget the faces left behind  
It's hard to walk away from the best of days  
But if it has to end, I'm glad you have been my friend  
In the time of our lives
