Verse 1:

She comes to me when she is tired  
With nothing else to do  
And Im expected to entertain her  
But how could I excuse  
The fact that you call me and tell me you need me  
And I dont think Im the only on  
Whos sick of the endings to all of her stories  
I wanna know the real one

Pre Ch:

I realize the problem lies in her  
Shell never find a way out of her brain  
Its all the same  
And everywhere she goes shell be singing

Chorus:

I gotta get away  
Its too blasee  
It is my only pain  
I gotta get away

Verse 2:

And every day now on the phone  
Shes calling all my friends  
And acting out as if shes so entitled  
Or maybe just revenge

Pre Ch

Chorus

Chorus B:

Where I can live my life  
Day by day by day  
I gotta get my life  
Back on track todays the day  
I gotta get away

Bridge:

Why should I kill myself  
When I could just kill you

Chorus
