These nights I just can't sleep  
These walls are paper thin  
I just can't take the heat  
Something's trying to get in

Hit me, hit me, hit me, hit me

I ain't obeying no more  
The way I'm bound to break  
Took me down to my car  
That's all that I can take

I've been folding myself, yeah  
I really sold myself  
With no escape  
I've been folding myself  
In little shapes  
Trying to please you, trying to appease you  
And ended up with ten thousand me's

When you made me say I was ice  
Say you were the warmth to thaw me  
Now I'm too broke to pay that price  
The secret to love  
The secret to love is not origami

I've been so many shapes  
Since the day that I was born  
From ugly duckling to a swan  
And now a unicorn

I've been folding myself, yeah  
I really sold myself  
With no escape  
I've been folding myself  
In little shapes  
Trying to compare, trying to ensnare you  
Finally there was no one there

When you made me say I was ice  
Say you were the warmth to thaw me

Now I'm too broke to pay that price  
The secret to love  
The secret to love is not origami  
No, no, no

Oh how I miss the exchange  
Of electricity  
And now it feels so strange  
To expose the real me

Ain't gonna fold myself, yeah  
Just wanna behold myself  
Well, I really mean it  
I know I sold myself  
Ain't gonna fold myself, yeah  
The secret to love  
The secret to love  
The secret to love is not origami
