[Noreaga] Shit, ski mask, black on Baseball bat strong  
Slap a nigga, Warren Sapp style Get my sack on  
Offense, defense Voice box secrets Till a nigga  
diarrhea, shit dollars and pee cents I've been always,  
on my grind Nickname; Poppi, Jose, Slime You've been  
hatin' from the sidelines Very low You've been hatin'  
when you hear me on the stereo See me in a video  
Same as in person See me in the hood No crew, one  
person And I ain't gonna starve on this motherfuckin'  
planet Till the whole world is talkin' about the kid like  
I'm Janet [Chorus: Kanye & GLC] [x2] [K] I'm everything  
you wish you was [G] You and me [K] It's just us [G] I've  
been drinkin' [K] I'm tore up [G] So please don't make  
my pistols bust [G] I got homies that's with you [G] So  
trust me I'm gonna get you [K & G] Get you [x6]  
[Noreaga] Without a record out Shit go down don't it?  
What ever go up, it gotta go down don't it? Martha  
Stewart guilty While I was in that same court house  
Same Feds try to do me Feel my Shinobi sword And you  
should know me Lord Never back down, I back down  
Niggas, you should know me Lord Cowards fall on me I  
can see them fallin' now Raising your angles, write  
rhymes, pourin' out Uplift with a curse and a gift Rap  
for life Read scripts Load my clips And Noreys still  
doin' my thing Knock niggas out that's bigger than Yao  
Ming [Chorus] [Noreaga] I was innocent Campin' in a  
tentament post My coat cinnamon Cooked it like beef  
that roast I told shorty, get your talkin' on You can't sell  
crack with your Walkman on An ex-work hustla I use to  
extort in an Escort, land to discover ah Quick to move  
another place Lawyer beat another case Got Bruce off
