[Timbaland]  
Ooh, oooh, get down come on, ooh, oooh, get down

Uh, you see just how I roll nigga, roll nigga  
Bulldoze, roll o's nigga, o's nigga  
Timbaland with that beat so, beat so  
Homey with that cheap dro, Miami and that beach so  
Drink up more heat though but only for a beat though  
Catch me at ? ? with brands up at Ecco  
To all these niggaz frontin' actin' like they wantin'  
somethin'  
Niggaz tryin'a rock me to sleep like ? ? does it  
Na-na, and I ain't gotta call for it  
Na-na, hell nah ain't gonna fall for it  
Always with good roll on tour gotta stall for it  
I ain't them other dudes with braids and a pink fro  
Niggaz only creep through the hood just when they tip  
toe  
Waitin' till your mans come home, gather your boom  
box  
Niggaz never been in them real clubs like ? ?  
So is you men or mice or, I'm in the candy paint  
Old school iller ?, drinkin' that ? meister

[Timbaland]  
Ooh, oooh, get down come on, ooh, oooh, get down

Ooh, oooh, get down come on, ooh, oooh, get down

Ooh, oooh, ooh boy come on, ooh, oooh, ooh boy come

Now, go head homey you can call me your henchman  
Cause all them dudes dumber than Jessica Simpson,

Courtney Love, stupid, you ain't a thug stupid  
Deep down you just really need a hug stupid  
Ha, ha, while I'm travelling Vegas  
Luxury hotel, pyramid spaces, room service  
Room service, and I don't like fake dudes  
Hate fake gangstas and hate fake boobs  
Tear that make-up on, a little mascara  
A little Britney, a little Aguilera  
Black girl ass livin' the Riviera  
Nah I ain't Justin, won't cry you a river  
Lie you a river, won't try you a river  
But stone you a river, what, clone you a river  
Bone you a river, what, or throne you a river  
I'm a alcoholic, shorty could you loan me your liver, hey

[Timbaland]

Bang on bedroom backboards  
Treat her ass like a layer, so now I gotta slap boards  
Slap boards, for a hard nail cores  
The same as G4's, nigga got the energy  
Even on that late night, Norey got energy  
Even on that wake up fuck I got some energy  
Even on that quickie mami, papi got some energy
