Ooh, baby I love your way, every day, yeah
Ooh, baby I love your way, every day

Shadows grow so long before my eyes
And they're moving across the page
Suddenly the day turns into night
Far away from the city
But don't, oh no, hesitate
Cos your love just won't wait, yeah, yeah

Ooh, baby I love your way, every day, yeah, yeah
I wanna tell you I love your way, every day, yeah, yeah
I wanna be with you night and day

The moon appears to shine and light the sky
With the help of some fireflies
I wonder how they have the power to shine. shine, shine
Well I can see them under the pine
But don't, oh no, no, hesitate, la di da
Cos your love just won't wait, yeah, yeah

Ooh, baby I love you way, every day, yeah, yeah
I wanna tell you I love your way, every day, yeah, yeah
I wanna be with you night and day

Oh baby, oh baby please, every day, yeah, yeah
I will love, I will love you
I love your way, ooh baby, please

I can see the sunset in your eyes
Brown and grey and blue besides
Clouds are stalking islands in the sun
I wish I could buy one, out of season
But don't, oh no, no, hesitate, la di da
Cos your love just won't wait, just won't wait

Ooh, baby I love your way every, every day, yeah
I wanna tell you I love your way, I wanna tell you how I
love your little way
I wanna be with you night and day, every day in every
way, yeah

Ooh, baby I love your way (ooh baby, how I love your
little way)
I wanna tell you I love your way
(I wanna tell you how I, I wanna tell you how I love your
way)
I wanna be with you night and day
Ooh, baby I love your way (ooh baby, baby, baby yeah)
