x2

Come back darling
Give me another try
I'll make you satisfied

Don't you know, I need you badly
And I'll give my poor heart gladly
I need your love like roses need the rain
Don't let me cry in pain

x2

Come back darling
Give me another try
I'll make you satisfied

Can't you see the love still burning
Please return, relieve my yearning
A day without you is like a year of emptiness
Please return and bring me happiness

Come back darling
Give me another try
I'll make you satisfied
(repeat and fade)
