take her if it has to be this way,
i know she doesnt really want to stay,
but be careful how you hold her,
please dont ever scold her,
shes my cream puff
we've been together a long, long time,
i know her ways and she knows mine,
so be careful how squeeze her,
please dont ever tease her,
she's my cream puff
i pray to god above her,
she'll find another lover,
who'll love her as much as i,
i only wanna make her happy,
even though she made me cry.
if things go wrong,
send her back to me,
i'll be as happy as i could be,
cus i feel so lost without her,
all the things about her,
shes my cream puff,
i pray to god above her,
she'll find another lover,
who'll love her as much as i,
i only wanna see her happy,
even though she made me cry...
if things go wrong send her back to me,
id be as happy as i could be,
cus i feel so lost without her,
all the things aout her,
shes my cream puff
